Capabilities

We have kinds of processing equipment like CNC turning/milling/drilling grinding machine , the components can be machined to tolerances of $\pm 0.002\text{mm}$

Technical

Our Technical Team is also powerful that we can do all processing like surface treatment and Heat treatment, We can also do Assembling as your request.

Services

We have 6 engineers to check drawing and details, who using CAD/ Solidworks/ UG/ IGES etc . well , Our over-sea sales will also provide best suggestion and services for you.

Quality

We have kind of measuring equipment like Coordinate Measuring Machine to check the precision for the parts, and we will also make full protect for package for shipping. High Precision quality as drawing request will be provided.

CNC Machining Center

**CNC Turning Machine
Manual Lathe**

**CNC Milling Machine
Manual milling**

**Surface Grinders
Cutter Grinder**

**Wire Cutting Machine
Electrical Discharge Machine**

**Drilling Machine
Rolling Machine**

Machining Equipment List

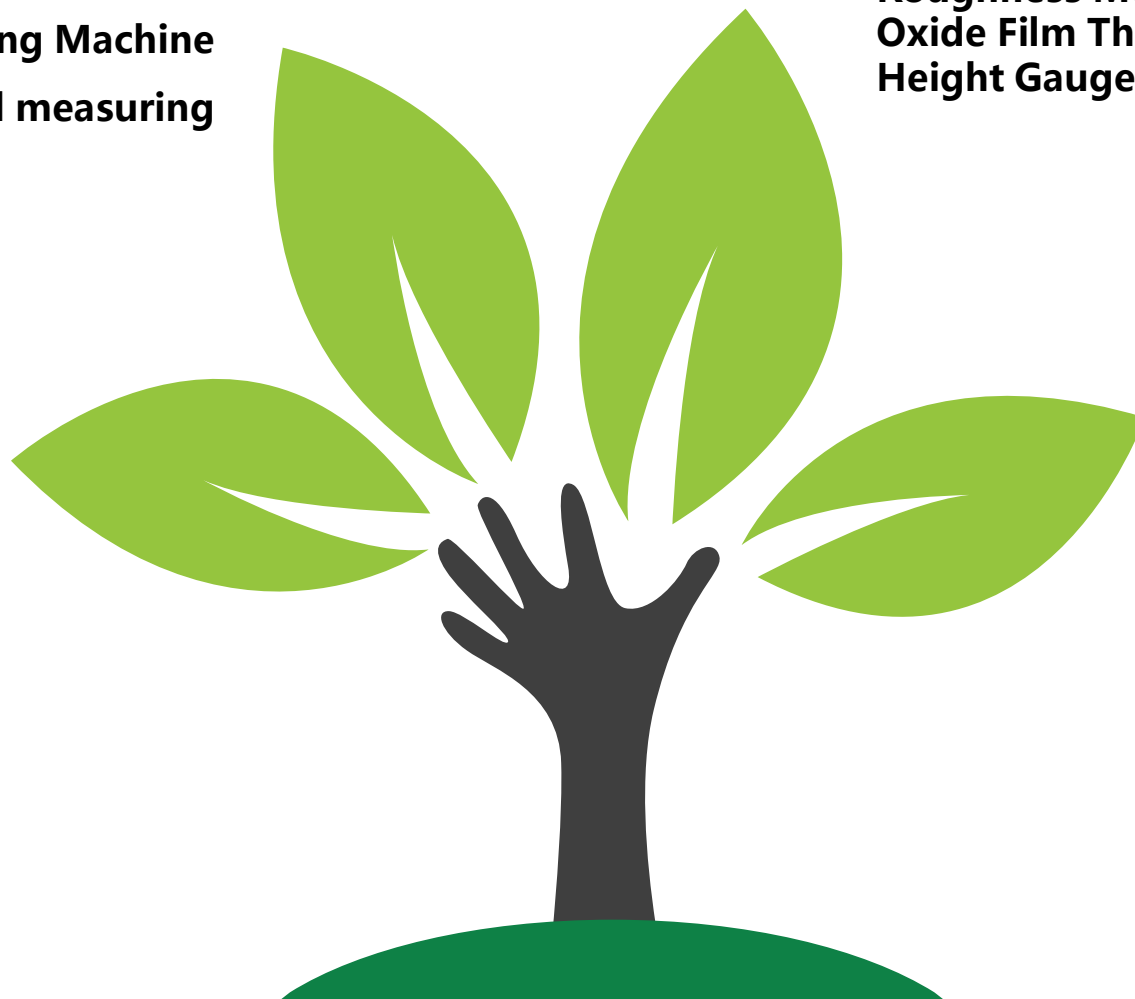

Kanou Machine List				
Item	Equipment Name	Qty	Unit	Made-In
1	5-Axis Machining Center	2	Set	Japan
2	4-Axis Machining Center	63	Set	Japan
3	3-Axis Machining Center	91	Set	Japn/Taiwan
4	Doosan Lynx220LYC Compound CNC Lathe	8	Set	Korea
5	TSUGAMI compound CNC Lathe	10	Set	Japan
6	TAKISAWA Compound CNC Lathe TC-100	16	Set	Japan
7	CNC LatheS	57	Set	Japan/Taiwan
8	Cam Automatic Lathe	37	Set	Taiwan
9	Laser Engraving Machine	5	Set	China
10	Automatic Milling Machine	6	Set	Taiwan
11	Vertical Milling Machine	2	Set	Taiwan
12	Specialized Automatic Milling Machine	20	Set	Taiwan
13	Mini lathe	15	Set	Taiwan
14	Surface Grinder	10	Set	Japan/Taiwan
15	Drilling Machine	40	Set	China
